Confidentiality

This report is provided in confidence and is only intended for the recipient of the report. This report contains confidential information and information within it should not be disclosed to third parties without the express written permission of Northern Australia Infrastructure Facility.

Disclaimer

Northern Australia Infrastructure Facility follows internal quality control procedures to ensure that all work produced within this report is accurate within the expectations and scope of the study involved. The findings within this report are based on input data provided and assumptions outlined in the report and are only intended for use by the recipient.

In accordance with the NAIF Gifts and Benefits Policy, NAIF publishes a Gifts and Benefits Report on the NAIF website on a quarterly basis. The Gifts and Benefits Report lists all gifts and benefits received by NAIF staff in the reporting period with an estimated value over $AUD100.00 (exclusive of GST).

Gifts and Benefits include hospitality (such as meals and beverages), entertainment (such as invitations to sporting events, cinema, theatre and the like), travel, accommodation and discounts (including free or discounted airline lounge membership). It includes any Gifts or Benefits to the immediate family of a NAIF staff member as a consequence of that staff member's employment or duties at NAIF.
